1. **CRZ 1**
   - **Description**: A CRZ 1 is a specific zone designated for certain activities or conditions. It includes a detailed description of the area and its boundaries.

2. **CRZ 2**
   - **Description**: A CRZ 2 covers a broader area compared to a CRZ 1 and includes specific conditions for development and use.

3. **CRZ 3**
   - **Description**: CRZ 3 further expands the area with specific conditions, often requiring detailed planning and regulatory frameworks.

4. **CRZ 4**
   - **Description**: A CRZ 4 may be used for even more extensive or complex areas, requiring comprehensive planning and regulatory measures.

**NOV/DEVM PLANS (ZONING) 2011**

3rd stage of Nov/Dev plans 2011 aimed at comprehensive planning of certain areas within the CRZ. The plans include specific zones for different activities and conditions, ensuring sustainable development.
