**Position:** Intern with the Sustainable Fisheries Programme

**Duration:** Two months (November and December 2022)

**Position Details:** [Fish for the Future](#) - our annual community outreach calendar series celebrates the unique and sustainable pole & line tuna fishery in the Lakshadweep Islands. We are seeking an intern to assist us with designing a calendar for the Sustainable Fisheries Programme at Dakshin Foundation. Each year, the calendars are also produced in Malayalam and Mahl besides English. They are circulated widely among the fishing community, in government offices, and at public places, and are a huge hit in Lakshadweep!

The chief responsibilities will be to:

- Coordinate with members of the Sustainable Fisheries team to get content on time.
- Translate content from Malayalam to English and vice versa wherever required.
- Design and lay out the calendar on a design software of your choice.
- Coordinate the printing process.

**Location:** This will be primarily based out of Dakshin Foundation's office in Bangalore.

#### **Desired Skills and Qualifications**

- Proficient in Malayalam and English
- Knowledge of design software like Canva, InDesign, etc.

**Remuneration:** A monthly stipend will be provided commensurate with Dakshin Foundation's internal policies and standards.
