Opportunity with Dakshin’s Sustainable Fisheries Programme

**Position:** Consultant - Designer, Sustainable Fisheries Programme

**Beginning immediately** (Please note that this is a short-term consultancy)

**Position Details:**

We are seeking a designer to assist us with designing and laying out some creative assets for the Sustainable Fisheries Programme at Dakshin Foundation. Dakshin works on multiple ecological and social research projects around the pole & line tuna fishery in the Lakshadweep Islands.

The chief responsibilities will be to:

- Design visually engaging cartographic assets (6 maps, 1 poster and 1 associated report) on Dakshin’s work on baitfish management in the Lakshadweep Islands
- Layout content for the Fish for the Future Calendar 2024 in 3 languages - English, Malayalam and Mahl.

**Location:** This will be primarily based out of Dakshin Foundation’s office in Bangalore but we are also open to remote opportunities if need be.

**Desired Skills and Qualifications**

- Ability to create designs that resonate with our primary target audience (fisher communities of Lakshadweep).
- Knowledge of design software like Adobe Illustrator, Adobe InDesign, etc.

**Remuneration**

Compensation will be commensurate with Dakshin Foundation’s internal policies and standards.
How to Apply

Fill out this form by the 16th of November, 2023.

About us:

Dakshin Foundation is a non-profit, non-governmental organisation based at Bangalore, India, with field offices and intervention across the coastline of India and in its oceanic islands. Our mission is to inform and advocate conservation and natural resource management, while promoting and supporting sustainable livelihoods, social development and environmental justice. To learn more about our interventions and research projects please take a look at our website (www.dakshin.org).
